

In All Things

Commissioned by Good Samaritan Education

Words and Music by Gen Bryant

Verse 1

Living rhythm of God's word
Transcending time and place
Source of Life, enrich our path
To be people of God's grace

Verse 2

Sisters and brothers united in Christ
Growing together as one
Transform, O God, our restless hearts
Inspire us to look beyond

CHORUS

**May our lives proclaim your truth
Bring compassion to all we do
May we listen with open hearts
In all things God we glorify you**

Verse 3

In a world hungering for more
We reach out to our neighbour in need
For then we walk, in Christ's love
And justice echoes courageously

Bridge

Open up our hearts to hear
In all things
In all things

Open up our hearts to see
In all things
In all things
